Exploded View

This exploded view diagram illustrates the assembly of a control panel. The components are labeled as follows:

- 0**: The main control panel unit, shown in the top left corner.
- 1**: Two screws used to secure the terminal block to the panel.
- 2**: A small circular component, likely a button or indicator, located at the bottom left.
- 3**: A small rectangular component, possibly a switch or sensor, located in the center.
- 4**: A large rectangular component, likely a display or main control unit, located in the center.
- 4-1**: A small L-shaped bracket or clip.
- 4-2**: A small rectangular component, possibly a display or indicator.
- 4-3**: A small rectangular component, possibly a display or indicator.
- 4-4**: A small rectangular component, possibly a display or indicator.
- 5**: A small rectangular component, possibly a display or indicator.
- 6**: A small circular component, likely a button or indicator, located at the bottom left.
- 7**: A terminal block with multiple pins, used for wiring connections.
